Call to Order & Flag Salute

Public Comment:

"This is the time for public comment on agenda and non-agenda items. The Board will not take any immediate action but will document all comments and/or concerns. Any further action deemed appropriate will be taken promptly. We appreciate you keeping comments to 3 minutes per individual or 5 minutes if you are representing a group of patrons. Please note, personnel concerns will not be discussed in a public meeting. If you have any concerns with personnel, please schedule a meeting with the Fire Chief or Board President."

Consent Agenda:

- Approve minutes from the February 10, 2022 Regular meeting
- Approve 2.28.22 Expense Account activity
- 2.28.22 Budget vs. Actual

Staff Reports:

- Chief's Report
- Operations Report
- EMS Chief Report
- Fire Marshal Report
- Financial Report

Ambulance Billing & Transport

Monthly Responses

Old Business:

- Policy Manual Updates (*This will be ongoing over the next several months*)
- Hiring Processes update.
- Columbia County Communications Radio System Replacement

Committee Reports:

- Management Team
- Long Range Planning Committee
- Awards & Incentives Funding for SVFA LOSAP

Miscellaneous:

New Business:

- 1. Budget discussion major budget items
- 2. Executive Session: ORS 192.660(2)(D) to discuss Labor negotiations

Good of the Order

Adjourn

Pursuant to ORS 192.640(1), the Board of Directors for the Scappoose Fire District reserves the right to consider and discuss, in either open session or Executive Session, additional subjects which may arise after the agenda is published.

BOARD OF DIRECTORS REGULAR MEETING

February Regular Board Meeting Thu, Feb 10, 2022 7:00 PM - 10:00 PM (PST)

Please join my meeting from your computer, tablet or smartphone. https://meet.goto.com/375172389

> You can also dial in using your phone. United States: <u>+1 (224) 501-3412</u>

> > Access Code: 375-172-389

In attendance: President Sorenson, Vice President Reeves, Director Krieck, Chief Pricher, Chief Bautista, Lt. Anderson, FF Krieck, FF Chaffeur, FF Mathews, NIFF Wenner, M Heath Absent: Director Gift, Director Graham

Call to Order & Flag Salute – 7:05 pm call to order.

Public Comment:

"This is the time for public comment on agenda and non-agenda items. The Board will not take any immediate action but will document all comments and/or concerns. Any further action deemed appropriate will be taken promptly. We appreciate you keeping comments to 3 minutes per individual or 5 minutes if you are representing a group of patrons. Please note, personnel concerns will not be discussed in a public meeting. If you have any concerns with personnel, please schedule a meeting with the Fire Chief or Board President."

Consent Agenda: Director Reeves moved to approve the consent agenda.

Director Krieck seconded the motion.

Director Sorenson inquired about the payment to Special Districts, confirming it was for liability and property taxes.

Director Sorenson and Director Krieck would like to schedule a meeting with Jeff Wilson regarding insurance before March 16, 2022.

Lt. Anderson explained why payments for maintenance on equipment have been higher than normal recently. This is due to DOT inspection updates and missed annual inspections due to dissolution of the IGA.

Motion carried unanimously.

- Approve minutes from the January 13, 2022 Regular meeting
- Approve 1.31.22 Expense Account activity
- 1.31.22 Budget vs. Actual

Statistical Data:

- Ambulance Activity Report Comparisons were made between 2020-2021 and the beginning of 2022.
- Response Activity Report All data reports were discussed, including the comparison report for overlapping calls between 8:00 pm and 8:00 am.

Staff Reports:

- Chief's Report Discussion on hiring and grant submissions.
- Operations Report Chapman did not have a leak; but the generator is still out. Main station HVAC upgrades may take place at the end of the fiscal year depending on whether finances are stable. The new engine goes into service by the end of the month.

• EMS/Safety Chief – ASA may be adjusted on the northern boundary of our service area. Discussions to be held on this in the next few months. We expect Columbia County to do a review of data regarding our ASA.

• Training/Fire Marshal Chief- Chief Bautista has started working on pre-fire plans and review of Intterra with a goal of 2 pre-fire plan inspections per month. He has also started taking over driveway inspections, the prevention program and assigning tasks in both career and volunteer ranks. DPSST audit and certification reviews are underway. Chief Bautista is also forecasting upcoming training needs. Uniform updates along with demos were shared with board. Fittings and order placement should begin next week.

• Financial Report – No questions.

Old Business:

- Policy Manual Updates (*This will be ongoing over the next several months*)
- Hiring Processes FF/Para hiring- phone calls will be made next week to extend offers. Interviews for Finance Director to be held Feb. 16, 2022.
- Budget Meeting Feb. 4 Chief Pricher recapped the budget workshop held Feb. 4, 2022.

Committee Reports:

- Management Team Met prior to the board meeting.
- Long Range Planning Committee Director Krieck would like to meet with Chief Pricher, form a committee to begin work on a strategic plan.
- Awards & Incentives Questions regarding LOSAP funding schedule; the hope to return to hosting the pancake breakfast

Miscellaneous:

New Business:

• Budget discussion – major budget items. Chief Pricher reviewed the major budget items detailed in the memorandum (pg 44 of board packet).

• Moorage Fee for Lighthouse Marina – Changes to the moorage agreement for the boathouse are currently under review. This may be a new budget item in the future. Chief Pricher will update the board when the review has been completed.

• Columbia County Communication Radio System Replacement – SRFD has been asked for input on an updated radio system. Chief Pricher asked the board to read through the engineering report sent out prior to making a recommendation on which system will best serve SRFD in the future. Director Sorenson asked that any further information gathered on this replacement be forwarded to board members during the month, as this will be on the March agenda for a decision.

Executive Session: Pursuant to ORS 192.640(1), the Board of Directors for the Scappoose Fire District reserves the right to consider and discuss, in either open session or Executive Session, additional subjects which may arise after the agenda is published.

Entered Executive Session at 8:52 pm. Executive Session ended at 8:59 pm

Good of the Order – Nothing to share.

Adjourn – VP Reeves moved to adjourn, Director Krieck seconded. The meeting ended at 9:00 pm. **Motion carried unanimously.**

MONTHLY RESPONSE & ACTIVITY REPORTS

MONTHLY REPORT

SCAPPOOSE RURAL FIRE PROTECTION DISTRICT

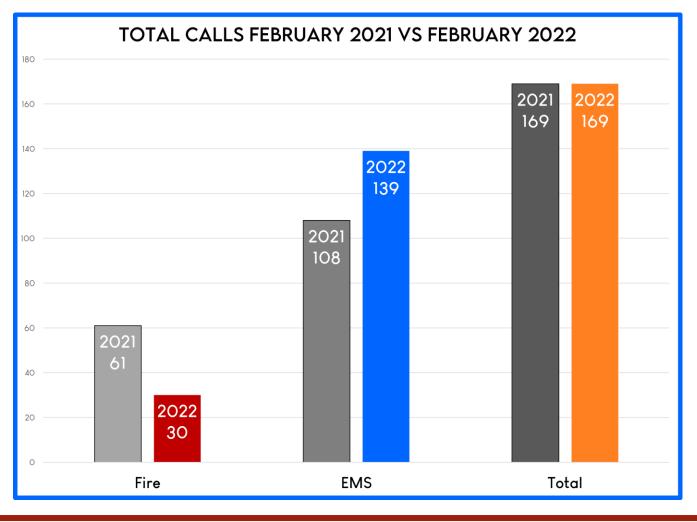

FEBRUARY 2022

For the month of February, the ratio of EMS incidents to Fire incidents was 82% to 18% respectively. Total EMS related calls for the month were 139, including a total of 140 patients treated, with 93 of those transported to area hospitals. COVID-19 was suspected or confirmed in 8 patients.

Approximately 53% of the total call volume (89 incidents) represents overlapping calls (at least one other call in progress). Approximately 21% of the of the 42 incidents that occurred during the hours of 8 PM to 8 AM (9 incidents) represents overlapping calls. There were no incidents where unit(s) were deployed for more than two days. Either of these situations could require units to respond to areas outside their base districts, which would result in increased response times as well as depleted available resources to respond to emergencies.

Total Fire & EMS calls for service during the month was 169, with a total of 333 apparatus responses spending 190 hours and 57 minutes of time. Total Fire & EMS incidents for the same month in 2021 was 169.

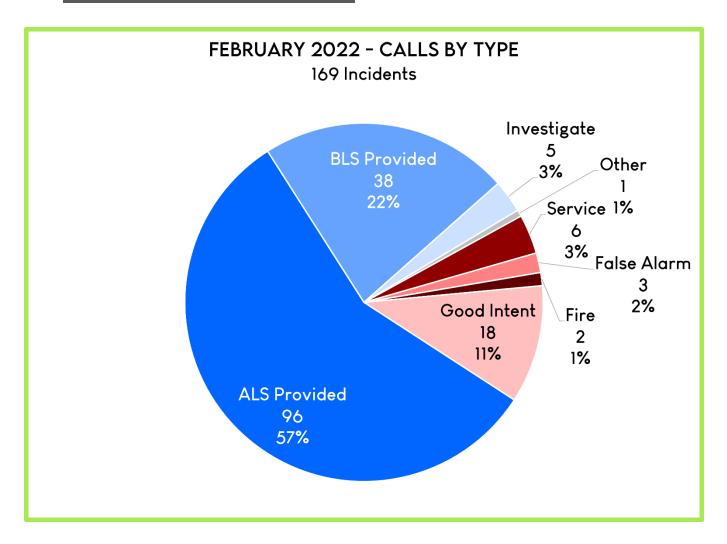

For the month of February, SRFD averaged 1.07 Fire calls per day and 4.96 EMS calls per day for an overall daily average of 6.04 calls per day.

Hiring – In Progress for Finance Director Mutual Aid Agreement with Cowlitz County – In Progress EMS Boundaries Multnomah County – In Progress Draft Strategic Plan – In Progress Fire Station Project ~ In Progress RDPO UAS Grant ~ 95% complete OSFM HMEP Grant ~ Submitted 2022 AFG Grants ~ Submitted Fire Code Guide Update - Tabled There were still some transitioning with responsibilities this month. This is still an ongoing process and will likely take a couple of more months before everyone is settled. As we transition, we continue to learn new and important things, as well as constantly tweak our processes and operations to be more efficient.

The radio project continues to be a significant time Challenge. The city is Scappoose is very concerned about this project and has held multiple meetings to go over statistics, information and other probabilities. As the board considers this project, a bit of a pause might be a good idea before we jump on board with a major purchase or sign onto a major overhaul.

We are continuing to have staffing challenges, however, the members of local 1660 have done an incredible job stepping up and feeling vacancies when needed. We currently have one staff member that will be on light duty for a while longer, we will have another staff member on light duty for a couple of months but we should get closer to full staffing here in the next two months.

The firefighter paramedic hiring process was completed by staff and two job offers were made. Sing is one of the job offers was to somebody already employed with our district, the paperwork process has been reduced. We are in the beginning stages of the background on one of the new candidates.

In the coming weeks we will be establishing a workgroup to revamp our volunteer program. We will also be starting the process of putting together our annual report. Last year we saw some significant increases in calls and we have areas through our analytics that we will use to improve our service.

We are still in the process of hiring a finance director, but we may be close to a job offer. I will be providing a verbal report on this at the next board meeting.

A considerable amount of my time has been spent working on administrative duties this month where as in the past the majority of these duties or accomplished by the finance director. Until we fill this position I will be spread pretty thin in addition to the office admin staff.

One of the big projects I've been working on for the last two years is nearing completion. In February we had two major successes that are worth Sharon. Part of the project includes obtaining a waiver from the federal Aviation administration to be able to fly and conditions that most part 107 pilots are not allowed. As of this Porter part, Scappoose fire has been issued a waiver to fly in controlled airspace and we are the first non-state or federal entity to receive this type of waiver that covers the entire state of Oregon. In addition, we were also notified on 28 February that we were allowed to fly beyond visual line of sight. This is one of the hardest waivers to obtain. We are now waiting on one more waiver and hope to hear about this in the next week or we can a half.

OPERATIONS REPORT

We received a partial shipment of our large radio order. Unfortunately there was a mistake with the part number on the handheld radios and those will be delayed an additional 3 to 4 months. We have received all of the mobile radios, and staff will be working on the schedule to get those installed and all of the vehicles.

We are still waiting to hear back from two vendors regarding I remount of the box on a new chassis for our older rescue unit. One of the challenges we will have Super caring chassis. With all of the supply and demand challenges posed by Covid, we may be delayed in acquiring a new chassis for that platform.

We are taking a bit of a tactical pause with our vehicle maintenance, as we try to understand where we sit in the budget and forecast through the rest of the year. While we still have some major items that need to get work done, we need to make sure we have enough of a contingency as we write out the rest of this budget year.

A few small purchases occurred to replace outdated equipment I will go on the new fire engine.

Holbrook station: At this time, there are no outstanding deficiencies and is operating within limits.

Chapman station: Nothing to report at this time.

The boat House station: Nothing to report at this time.

Scappoose station: This is a work in progress, most of the information regarding this project will occur in Old Business.

We are continuing to in-service the new engine. We are hoping to have it ready for its inservice ceremony end of March.

Our project with the record management system is going well. We have been starting to roll out the check sheet program shift by shift. The next project will be to build out the training platform.

Uncrewed Aircraft Systems: 57 Flights 3.51 Hours Flown

Division Chief Marks February 2022

February Projects:

Duty Shifts Safety Program Review Wellness Program Protocol Updates ASA Review Career Interviews Traffic Safety Program

Drills / Activities / Meetings in February included

Admin and Officers Meetings	CCOM Radio Meeting
Safety Meeting	Fire Defense Board
ASA Document Review	RAWS Weather Station Meeting
Protocol Update Training	OHA Meeting
Operative IQ Demo	Regional Wellness Coordinators Meeting

In February I attended my normally scheduled meetings. I have continued working with the other county EMS Chiefs on an ASA Document Review / Revision. This document will be presented to the County Commissioners to Adopt and submit to the state for approval. We are on final revisions from our standpoint. We are waiting to hear from the county on a possible Contractor being hired to review the county EMS services.

I have been transitioning Training duties to Chief Bautista. This will continue to be a project we work on together to ensure items do not get missed.

NIFF Curio has been working with Operative IQ regarding issues with their software. Due to these issues, Scappoose was one of six EMS agencies across the country to beta test a new program they are launching. Feedback from crews has mostly been positive with this change. I would like to thank NIFF Curio for helping hold the EMS Division together through the transition period.

F/F Ahlers and I attended a Regional Wellness Coordinator meeting in Kent. The meeting was attended by Coordinators from the area to discuss programs, new information and network. One of the topics was Rebound. I was able to relay the successes we have had with the company. Rebound was also on site for this

meeting. They thanked our organization for being part of their family and for the good words of success we have had with them. Rebound is continuing to roll out new products that will increase our safety and improve capabilities the of our membership. Zach and I are looking into these new programs for possible integration into our organization.

I have attended several meetings with Chief Pricher and other county agencies regarding adding more RAWS stations throughout the county. More RAWS stations would allow the county fire agencies to gather more data regarding fire weather. This would give agencies better data to evaluate burn days and fire potential in the area. Currently the county has one remote weather station which has been in place for more than 20 years. The group is looking at placing two to three more across the county. These units are tied into the National Weather Service which allow better forecasting as well.

Chief Bautista Report

March 2022

February Projects:

New SRFD uniforms should be ordered soon. We provided a few weeks for members to get fitted for Job Shirts (duty sweatshirts). Orders should be expected to be placed soon. Thank you to FF Booth and FF Chaffeur for their work on this project.

Fire Marshal:

This month I conducted 1 fire access consult, 2 new fire agency review application (new driveway) and 1 Referral and Acknowledgement document from the Columbia County Land Development Services Planning Division.

A rising trend is the level of consultation requests coming in. These requests tend to take up much FTE time and involve multiple site visits. Due to this increase in service and the demand of SRFD resources, we may need to discuss a proposal to charge for consultations in an effort to recoup SRFD expenses for these services.

I am working with SRFD members to get pre-incident plans started in Intterra. I would like to get members trained and started by April 2022. Thank you to Chief Greisen for his work at the Scappoose Airport so far.

We are waiting for the Oregon State Fire Marshal's Office to process certificates for our members who participated in the Company Officer course to start business fire inspections.

I am working at identifying some members to get fire investigation training. Due to the financial investment with training and PPE, in addition to the time required to fully train these members, we must have a level of participation commitment from members to proceed.

Public Education:

C Shift conducted live fire extinguisher training at Cascade Tissue on March 15th & 16th. Thank you to the personnel on shift that helped support their training and B shift for preparing the fire extinguisher prop for use.

Public Information:

Continuing to work with PIO Heath on her training and assisting with press releases and social media posts. My goal is to meet with the PIO group and develop templates and processes for PIO duties in the future.

February was a busy month with various incidents and events. Thank you to the team for getting press releases, social media posts, and media interviews completed.

Special thanks to Chief Marks for participating with a local radio station interview regarding the rail way incident this month.

SRFD Training:

I conducted an audit of all career and volunteer SRFD members to determine who is missing key certifications for positions currently (e.g., NFPA Driver, NFPA Haz Mat Awareness and Operations, NFPA Firefighter 1 & 2, Wildland FF2, NFPA Fire Officer 1). I will be working with company officers and those members to complete these items over the next months.

I am working with members of the organization on getting F9 approvals from DPSST to instruct fire certifications courses (E.g., Aerial Operator, Vehicle Extrication Rescue, etc.).

We are in beginning communications of forming an internal Firefighter 2 academy and/or series for our career and volunteer members who need these courses.

Total SRFD Member training hour for the month were 181.25

ISO Course:

I am in communication with ISO to host a 4-hour course at Scappoose Fire District to review the scheduling guide. This would offer us an opportunity to ask specific questions about the rating process to inform the development of a strategy for our next ISO evaluation. Our goal is to have our Chief Officers, Lieutenants, Board of Director representatives, volunteer representatives, Columbia 911 and Scappoose Water Department personnel attend the course if schedules allow. We would open this course to outside agencies as well.

The course is scheduled for Thursday March 16, 2022, from 1pm to 5pm. The course will be hosted by Scappoose Fire District utilizing the training room.

Scheduled Training and Chief Officer Development:

Continuing to work through duty officer rotations and seeking feedback from Chief Pricher and Chief Marks on critical incidents.

Maria Heath and I will be at the National Fire Academy attending the Youth Firesetting Prevention and Intervention course March 26, 2022, through April 2, 2022. This is a revised curriculum that will cover Youth Firesetter Intervention and Youth Firesetter Program Manager certification requisite knowledge required for certification. In this course, we will be able to create program plan and implement it upon return from the NFA.

Chief Marks and I are planning on attending Oregon Volunteer Firefighter Association Conference in Hermiston, OR on June 9th through June 12th to attend the Live Fire Instructor course. The Live Fire Instructor In Charge course was cancelled due to not having an instructor. This course is the prerequisite for State certification to supervise live fire drills and use of the LBTC burn props.

Total hours for February 2022: 257.25 hours (Duty officer 192 hours worked at the station).

OLD BUSINESS

Drug- and Alcohol-Free Workplace

1232.1 PURPOSE AND SCOPE

The Scappoose Fire District prohibits the use of drugs and alcohol in the workplace in order to provide a safer work environment for members and to protect the public's safety and welfare. This policy applies to all members when they are on district property or when performing district-related business elsewhere.

1232.2 POLICY

It is the policy of the Scappoose Fire District to provide a drug- and alcohol-free workplace for all members.

1232.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on district time can endanger the health and safety of district members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty (OAR 437-001-0760(4)). Affected members shall notify the Fire Chief or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/ she shall be immediately removed and released from work (see Work Restrictions section in this policy).

1232.3.1 USE OF MEDICATIONS

Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any onduty status.

Possession or use of marijuana or being under the influence of marijuana on- or off-duty is prohibited.

1232.4 MEMBER RESPONSIBILITIES

Members shall come to work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on district premises or on district time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members shall notify a supervisor immediately if they observe behavior or other evidence they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Scappoose Fire District

Policy Manual

Drug- and Alcohol-Free Workplace

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1232.4.1 ADDITIONAL MEMBER RESPONSIBILITIES

Members licensed to attend to any ill, injured or disabled person shall not consume alcohol within eight hours of reporting for duty or while on-call (OAR 333-265-0083). Members who become aware that another member has consumed alcohol within eight hours of reporting for duty or while on-call shall notify a supervisor.

1232.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Administration, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1232.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the District.

1232.7 SCREENING TESTS

A Division Chief may request an employee to submit to a screening test under any of the following circumstances (ORS 659A.300):

- (a) The Division Chief and supervisor reasonably believe, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.
- (b) The employee operating a motor vehicle in the performance of his/her duties and becomes involved in an accident that results in death or results in the issuance of a citation as a result of the accident and any vehicle was towed or any person received medical treatment away from the scene (49 CFR 382.303).
- (c) The employee operating a district vehicle causes damage to that vehicle that removes it from service for any length of time.
- (d) The employee operating a district vehicle causes damage to district or private property.

Scappoose Fire District

Policy Manual

Drug- and Alcohol-Free Workplace

(e) The employee in the performance of his/her duties and becomes involved in an accident that results in death or injury that requires medical treatment away from the scene.

1232.7.1 DIVISION CHIEF AND SUPERVISOR RESPONSIBILITY

The Division Chief and supervisor shall prepare a written record documenting the specific facts that led to the decision to request the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.
- (c) The employee may refuse the test, but refusal will result in being relieved of duty pending further investigation. Disciplinary action may result..

1232.7.2 DISCIPLINE

An employee may be subject to disciplinary action if he/she:

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.
- (c) Violates any provisions of this policy.

1232.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the District will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1232.9 CONFIDENTIALITY

The District recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee's personnel file in accordance with the Personnel Records Policy.

NEW BUSINESS

COMMUNICATIONS

SDIScretation Special Districts Insurance Services

MEMORANDUM

TO: SDIS Property/Casualty Insurance Program Participants

FROM: SDAO Underwriting Department

SUBJECT: 2022 SDIS Best Practices Program – Property/Casualty Insurance Credits

Did you know that your district can receive credits on its property/casualty insurance contributions? These credits are offered through the Best Practices Program and can take up to 10% off your district's general liability, auto liability, and property insurance contributions for the 2023 policy year. Enclosed is a brochure outlining the five credit opportunities for this year's program.

To receive credit, a district representative must complete the Best Practices Survey (located online on the SDIS Insurance Site). Please note, each district is responsible for completing their own survey online. Instructions to complete the survey are below:

Visit <u>www.sdis.org</u>

DMINISTERED BY

- Enter your login credentials and select Login
- Once on the SDIS Insurance Site homepage, click Insurance on the left
- On the bottom left side of the page click Best Practices
- Then select Take Survey
- Complete the survey, scroll up, and click Save at the upper-right-hand corner of the survey

Credit is only able to be awarded in a category when a box within that section of the survey is checked. If you cannot answer "yes" to at least one question within that category, credit will not be recorded or given. The survey must be submitted by a district representative who will verify completion of the credit requirements within the survey. Training credits taken by members are not automatically updated in the Best Practices Survey and must be manually checked off by the member.

Once you have clicked save, the survey has been submitted. There is no need to send confirmation to SDAO; the percentage credit you see is the amount that we see and download into our system.

The survey will become available this spring (we will email everyone when it opens), and the deadline to complete is **November 4, 2022**. Districts can save the survey multiple times until all fulfilled credits are reported.

If you have any questions, please contact Jaime Keeling at <u>jkeeling@sdao.com</u> or 800-285-5461 ext. 122.

- Oregon Recreation and Park Association
- Oregon Rural Health Association
- Oregon Transit Association
- Oregon Water Resources Congress

As we have several district types, this is *not* a comprehensive list. If you have any questions, please contact Jaime Keeling at <u>jkeeling@sdao.com</u>.

2. Board Duties and Responsibilities Policy | Credit: 2%

In order to receive the 2% credit, your district must have adopted a policy regarding board duties and responsibilities. A sample policy will be available at <u>www.sdao.com/best-practices-program</u> in the spring.

3. Board Duties and Responsibilities Checklist | Credit: 2%

To receive credit in this category, you must complete the self-evaluation checklist that is available within the Best Practices Survey located on the SDIS Insurance Site (www.sdis.org). The checklist can be viewed once you have opened the survey. The survey will go live on the Insurance Site in spring of 2022.

4. SDAO/SDIS Training | Credit: 2%

You must certify that ALL members of the board have attended **one** online or in person class regarding board members duties and responsibilities **or** the board can engage in a Board Practices Assessment conducted by an SDAO consultant. The following are some *examples* the trainings that qualify:

- SDAO Board of Directors and Management Staff Regional Training
- **Board Duties and Responsibilities Pre-Conference Training** (This training will be streamed on February 10th during the 2022 SDAO Annual Conference on the virtual conference platform.)
- OFDDA/OFCA board trainings sponsored by SDAO
- Boardsmanship 301 (Online training video viewable at www.sdao.com/training-videos)
- Boardroom Dancing (Online training video viewable at www.sdao.com/training-videos)

To sign up for a Board Practices Assessment, please contact Shanta Carter, Consulting Services Administrator, at scarter@sdao.com.

5. Board Member Education Program | Credit: 2%

To receive the credit in this category, <u>at least two (2)</u> members of the board will need to enroll in the SDAO Board Leadership Academy (all district types) OR in the SDAO/OFDDA Fire District Directors Academy (applicable to fire districts). There is **no cost** to enroll in these board education programs.

Eligible individuals will need to complete an enrollment form located on the SDAO website at www.sdao.com/sdaoboard-leadership-academy or www.sdao.com/sdao-ofdda-fire-district-directors-academy and submit it to SDAO Member Services (memberservices@sdao.com) to enroll.

Receiving Credit

To receive credit, a district representative must complete the Best Practices Survey (located online on the SDIS Insurance Site) and click the Save button at the upper right-hand corner of the screen. Credit will only be awarded in a category when a box within that section is checked. If you cannot answer "yes" to at least one question within that category, credit will not be recorded. Your district will be notified by email this spring when the survey becomes available online. The survey **must** be submitted by a district representative who will verify completion of the credit requirements within the survey. Training credits taken by members are not automatically updated in the Best Practices Survey and must be manually checked off by the member. *Please note, each district is responsible for completing their own survey online*. *The deadline to complete the survey is Nov. 4, 2022.*

If you have any questions regarding the Best Practices Program or need help completing it online, please contact Jaime Keeling at <u>jkeeling@sdao.com</u> or 800.285.5461 ext. 122.
